\$400,000,000 construction program under way on the Pacific Coast

During the next five years, a four hundred million dollar construction program is planned to improve and expand telephone service on the Pacific Coast. This program is already under way and is going ahead steadily.

In 1946 alone, more than 70 building projects, installation of eight billion feet of wire in exchange cable and construction of 200,000 miles of toll and long distance circuits are expected to be completed. Work will be started on the Western part of a nation-wide coaxial cable network for long distance and television transmission, and in the next few years many new services and improvements will be introduced.

For it is our purpose to grow with the West and to help the West grow—to provide an ever-widening, ever-improving telephone service.

Cougar Sport Shop Opens Doors On Solano Avenue

Recognizing a definite need for a complete sporting goods equipment store in Albany, Mr. Frank Gray has established a shop at 1365 Solano Avenue to be known as the Cougar Sport Shop.

Gray has arranged to handle several of the best-known brands of equipment in a stock as complete as the current market will permit. While some items are as yet rather difficult to obtain, Gray promises that these articles will be stocked as soon as they are available.

The new store is attractively arranged with natural redwood fixtures and appointments in keeping with an outdoor atmosphere. A corner has been reserved for a lounge where sportsmen may gather and comfortably elaborate on their tales of high scores and large fish.

Gray is well known in local circles, being currently president of the Marin School Dad's Club, Assistant Scoutmaster of Troop 42 of the Boy Scouts and publicity officer for Berkeley Flotilla No. 26 of the U. S. Coast Guard.

Mrs. Gray has appropriated a corner of the Cougar to be known as "My Corner" for a rental library, in which will be found only the currently best sellers in fiction, non-fiction, sports novels and instruction books.

Mr. and Mrs. Gray invite everyone to attend the opening of the Cougar Sport Shop on Saturday, April 13th.

THANKS

I thank my friends in Albany who voted for and supported me during the recent campaign for City Attorney. I certainly appreciated your support.

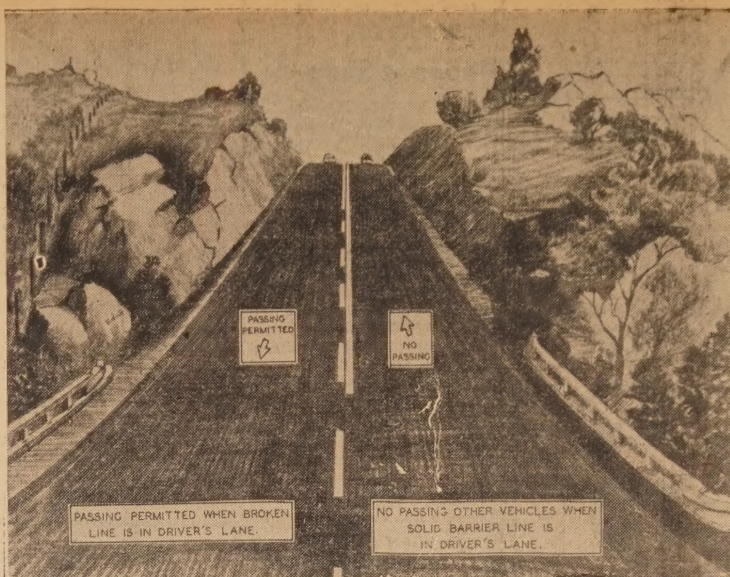

I want to congratulate Mr. George Glavinovich, the winner, and wish him all the success during his term in office.

GARTNER S. THOMAS.

Approximately 350 high schools of California offer courses in driver training to students approaching the age when they can obtain driver's licenses, the California State Automobile Association reports. It is expected that the number of schools offering this training will increase as more instructors and equipment become available.

On roadways outside business or residential districts pedestrians must face oncoming traffic by walking on the left hand side of the road, declares the National Automobile Club.

NEW LINES FOR MOTORISTS

The yellow "No Passing" traffic line so familiar to California motorists traveling over State highways is on its way out.

Director of Public Works C. H. Purcell today announced that pursuant to authority vested in the Department of Public Works by law and in conformity with the Federal Aid Highway Act of 1944 designed to effect, among other things, a uniform national system of highway signs and traffic control devices, he has executed the required legal order to the Division of Highways calling for the immediate marking of "No Passing" zones with two continuous or solid parallel white lines where overtaking and passing slower moving vehicles is prohibited, and a combination solid and broken white

line when passing is restricted in one direction for vehicles approaching a blind crest of grade.

A solid white or barrier line on the right of the broken line and in the driver's lane will indicate "No Passing".

A driver may overtake and pass a slower moving vehicle if the broken line is in the driver's lane, providing the way ahead is clear.

The California Vehicle Code provides for a distinctive pavement marking for "No Passing" zones. These zones are designated where either the volume of traffic or the vertical or horizontal curvature of the roadway renders its hazardous to attempt to drive to the left of such markings.

"It will require several months"

Purcell said, "to change the markings at all 'No Passing' zones and eliminate the yellow line now used to indicate 'No Passing'. There will be a transition period which both the present and new type of markings will be in place and must legally be observed."

THANKS

Your support of my candidacy and your faith in me has been a source of gratification and encouragement. Therefore, I wish to express my thanks to you and the many new people in our community whom I came in contact with throughout the campaign just concluded.

Gratefully yours
Robert E. McCullough

THANKS

I wish to take this opportunity, through the Albany Times, to express my appreciation for the large complimentary vote that I received in Monday's election.

While I had no opposition I, nevertheless, feel that the vote I received was an endorsement of the manner in which the administration of justice has been conducted by the court.

I pledge to the people of this city that I shall strive at all times to conduct the affairs of the court to the end that all who have dealings with

Miss Ha Mae Wilson, Publisher
Albany Times
Albany, California.

Dear Miss Wilson:

May I, through your paper, express my gratitude to the many friends who gave me their support during the recent election. If it were possible, I should like to thank each of them personally, but inasmuch as that would be difficult to do, I trust those whom I have been unable to see, will accept this note of thanks and appreciation.

I would like, also, to thank you and the members of your staff for the fair and impartial manner in which all campaign advertising was accepted and published.

I have already extended my congratulations to the newly elected City Attorney, Mr. Glavinovich, but

I am glad again to do so, publicly through this published letter and to wish him much success during his term of office. It was a source of pleasure to me to note that the campaign for City Attorney was conducted with dignity and in such a

manner as does credit to our profession as attorneys at law.
Thanking you for your contribution in publishing this letter, I remain,
Yours very truly,

THANKS

Through the courtesy of the Albany Times I wish to thank you for the confidence vote you gave me by electing me Chief of Police to succeed myself as Acting Chief of Police, in which capacity I served for three years, upon appointment by the City Council.

Your co-operation and support in the past is greatly appreciated. In all matters of police protection, crime prevention, and keeping the peace, I shall continue to be honest, efficient and reliable.

It is my wish that you will continue to come to the police department for aid and assistance as well as to make your needs known so that the police department can serve to the benefit of the whole community.

STANLEY C. WILLIAMS,
Chief of Police.

THANKS

Through the columns of your paper, I desire to express my sincere thanks for the splendid support given me at the polls on Monday. To voters, who cast ballots in such gratifying numbers, and to countless workers, who gave so generously of their time and effort, I am deeply grateful.

I feel, however, that it is through deeds, not words, that I can best repay the confidence shown in me. On that promise, I pledge you an efficient administration of my office of city attorney.

The large vote cast should be a source of pride to Albany citizens. I extend my thanks, also to the Albany Times for the space and assistance given me and for the eminently fair manner in which the entire campaign was handled.

GEORGE R. GLAVINOVICH

THANKS

I wish to express my heartfelt thanks to my many friends who helped to re-elect me. I will continue to give you sincere, honest and financially sound government. Devote myself to all things of public interest and promise you there will be no political favoritism or enmity to any group or individual.
